Allowable Subject Matter

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: Independent Claim 1 is allowable because of the specific requirement that the cavities making up the inflatable body portion of the pressing device have different air pressures when inflated. Previously disclosed devices similar to the instant invention seek to have a uniform pressure throughout the inflatable body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
